RE: Delinquent Tax Collections for the period of October 01, 2024 through September 30, 2025

Dear Mayor Garza and City Commission:

The attached report highlights our delinquent ad valorem tax collection program on behalf of the City of San Juan for the 2024 – 2025 fiscal year. As noted herein, our collection results continue to be successful for the City.

Please know that we truly appreciate the opportunity to represent the City of San Juan on all delinquent ad valorem tax matters. As always, we will continue to provide the most-experienced and dedicated ad valorem attorneys, which deliver the highest quality representation and consistent results. We remain available to address any questions/concerns you may have at your convenience.

Sincerely,

Kelly R. Salazar  
Capital Partner

Our delinquent tax collection program for the City of San Juan continues to emphasize two basic premises: to work with individual taxpayers to collect taxes owed to the City and to only use the tool of litigation as a final option. We listen and continually adapt to your changing needs to ensure that we are providing the best possible service and deliver customized collection programs that yield the best possible results. The following information is an overview of our collections efforts during this reporting period.

Our extensive mailing program is designed to advise people who have not paid their delinquent taxes to the City of San Juan. During the course of the fiscal year, we send delinquent notices, with varying degrees of intensity to every delinquent taxpayer. The intensity of the notice varies on factors such as: time of year, type of property and the particular needs of the jurisdiction.

6 Demand Mailings – 4,630 Statements Mailed

Our comprehensive collection services provide a wide scope of exceptional assistance to the City of San Juan and its taxpayers. Equipped with multi-skilled representatives, we create and manage flexible payment plans for taxpayers experiencing any financial hardship.

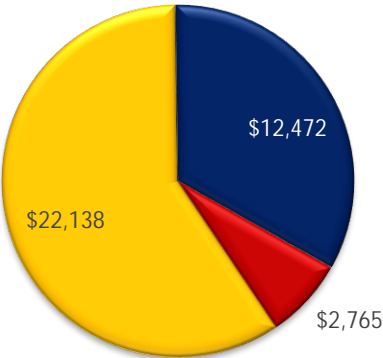

Filing a lawsuit to collect delinquent taxes is used as a final resort; only after diligent efforts to contact and work with taxpayers have been fully exhausted. Once the decision to file suit has been made, a complete property title search is conducted, the property is physically identified and all interested parties, including all lien holders, are also identified and served with notice of the lawsuit.

Litigation Activity	Cases	Base, Penalty and Interest
• Lawsuits Filed	32	\$105,299
• Lawsuits Disposed	35	\$111,339
• Judgments Taken	10	\$25,998
• Pending Litigation	83	\$219,323

## TAX SALES/RESALES

Our office regularly monitors all judgments we take on behalf of the City of San Juan. During this reporting period, three (3) tax sales and one (1) resale were conducted, placing a total of five (5) properties for sale.

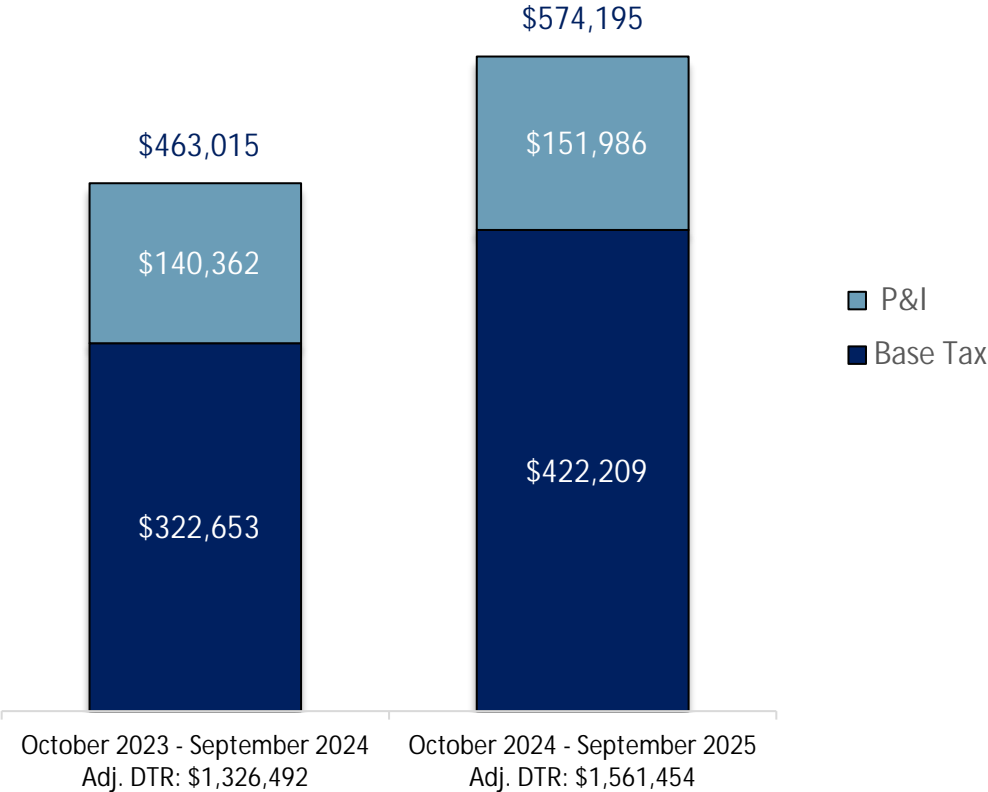

■ Sold (3)                     
 ■ Pulled - Other (1)                     
 ■ Resale - Sold

## LIENS

Our firm collected \$2,959 in mowing liens as a courtesy for the City of San Juan.

## FUTURE OVERVIEW

Our office is committed to making necessary adjustments to our collection procedures and methods to best advocate for the City of San Juan. We will continue to offer firm yet flexible payment options for taxpayers experiencing financial hardship.

### Review of Pending Judgments and the Filing of Additional Lawsuits

During the remainder of the fiscal year, we will continue to work pending lawsuits for full payment or payment agreements. We will also continue researching the delinquent tax roll for possible new lawsuits; both real and personal property accounts.

### Continued Monitoring of Bankruptcy Accounts

As a continuation of our standard operating practice, we will actively monitor and verify accounts in bankruptcy for the payment of taxes, penalties, and interest owed to the City.

### Mailing Program

We continue to contact your taxpayers through mail correspondence for the remainder of the fiscal year. In addition to our scheduled mailings, we have implemented a compassionate letter program directed to taxpayers who are otherwise non-responsive to phone calls. These compassionate letters inform the delinquent taxpayer of options available for payment during this difficult period.

### Scheduling of Property Sales

As properties are taken to judgment, they will be reviewed and checked for payment. Those judgments with no taxpayer response will be further reviewed and scheduled for possible tax sale.

Execution of the work plan established for the City of San Juan will include the constant monitoring of collection figures in order to adjust resources and enforce the collection of delinquent taxes. Our collection efforts will also include prosecuting pending suits to conclusion, mailing monthly letters, and filing new suits in order to maximize the collection of taxes. We will continue to work closely with you and your administrative staff to provide assistance and advice on all property tax matters, including changes in the law brought about by amendments to the Texas Property Tax Code.

## THE POSSABLE DREAM ADULT HIGH SCHOOL CELEBRATES FIRST GRADUATE: STEPHANIE LYNN LUCIO

Avery Arizola

October 6, 2025

***San Juan native earns high school diploma in four weeks, now working on Medical Billing & Coding Certificate***

The PossAble Dream Adult High School is celebrating its first-ever graduate, Stephanie

Lynn Lucio, marking a milestone for the Texas Education Agency (TEA)-authorized school designed for adults 18-50 years of age to complete their high school diploma and prepare them for in-demand careers.

Lucio left school at age 16 to support and care for her mother and brothers, but found a path back to graduation through The PossAble Dream Adult High School. After enrolling, she worked closely with her counselor to develop a plan of action, recover needed credits and graduate in only four weeks. She is now continuing her education tuition-free through The PossAble Dream's Medical Billing & Coding career pathway.

"I am grateful for all the challenges that I have experienced," Lucio said. "If it were not for those challenges, I would not be able to be where I am today. I am excited to begin my new journey through the Medical Billing & Coding pathway. I love to help. I know my life was hard, but others may have had it harder. I want to do my part to help in any way."

Lucio said she did not waste time once she learned about the opportunity and benefited from the support and structure the staff offered.

"I wanted it, so I put my mind to it" she said. "I am so grateful to my student success coach, teachers, counselor and the superintendent for helping me."

Reflecting on the moment she learned she had finished high school, Lucio said she could not believe it.

"When I first found out that I finished this quickly, I felt so excited and so happy," she said. "I never expected this. If I can do it, anyone can. It is never too late. Never give up. While you have life, you still have hope."

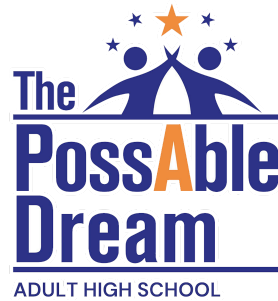

Lucio first connected with The PossAble Dream Adult High School after seeing the opportunity on Facebook. Her counselor built a targeted plan that honored credits she had previously earned and focused only on what remained.

"We review your transcript and give you credit for the work you've already done," said Jovanna Hernandez, Counselor at The PossAble Dream Adult High School. "If you didn't pass a class, you can recover those credits at your own pace. For adults who left school close to graduating, that often means you can finish quickly. When you enroll, we build a clear, step-by-step plan to guide you to graduation."

Superintendent Darcia Cuellar said Lucio's accomplishment illustrates the school's mission in action.

"Stephanie is an example of someone who was very close to completing and, with the right structure and support, finished high school and immediately moved into preparing for a high-wage, in-demand career," Cuellar said. "Her success shows what is possible when we meet adult learners where they are, recognize the work they've already done and surround them with caring professionals who guide them to the finish line and into a career pathway."

**REVIEW COMMENTS:**

Ms. Gomez explained that the applicant is requesting a rezoning of a 2.00-acre tract of land from Residential (R-S) to Commercial (C-2). She stated that the surrounding area along Stewart Road is characterized primarily by commercial and industrial development. Notice of the public hearing was published in the newspaper, and notification letters were mailed to seven (7) property owners. No comments were received either in favor of or in opposition to the request. Staff recommended approval of the rezoning request as presented.

Chairwoman Cardenas opened the public hearing at 6:06 p.m.

Commissioner Gamboa asked whether there were specific plans for the use of the property.

Ms. Gomez responded that no information had been provided.

Commissioner Yzaguirre noted that there is a house located at the front of the property.

Ms. Gomez stated that the back portion of the property is vacant.

Commissioner Gamboa asked about the size of roads that may be required in the future.

Ms. Gomez reminded the Commission that the request is solely for rezoning and that any future development will be required to comply with all applicable requirements from City departments.

Chairwoman Cardenas closed the public hearing at 6:09 p.m.

Re: Variance Request for Santa Barbara Villas Subdivision

To whom this may be addressed,

We are reaching out on behalf of the developers for SANTA BARBARA VILLAS SUBDIVISION, better described as follows:

BEING A 1.26 ACRES OUT OF LOT 8, BLOCK 35 ALAMO LAND AND SUGAR COMPANY'S SUBDIVISION, RECORDED IN VOLUME 1, PAGE 24-26, MAP RECORDS, HIDALGO COUNTY, TEXAS.

Santa Barbara Villas Subdivision will be a 16-lot residential subdivision. The single-family dwelling being proposed for this subdivision are townhomes. We are requesting consideration for approval of the following variance:

- Open Bottom Sanitary Sewer Manholes – We are requesting the consideration to use open bottom Sanitary Sewer Manholes for this subdivision given the delay from the manufacture of 10 to 12 weeks on the required Closed Bottom Sanitary Sewer Manholes. The installation of Open Bottom Manholes will be completed by ensuring that the proper sealant is used (Green Jeff Coat Epoxy as per City standards), and that all testing done to the manholes passes and is approved by the testing lab and City Inspector for the subdivision. Additionally, we would be providing the City of San Juan an extended 2-year warranty on work performed on the Sanitary Sewer System.

We are grateful for your attention to this request and would appreciate your approval of this matter. If there are any questions or concerns, please feel free to contact our office.

Respectfully,

Ivan Garcia P.E., R.P.L.S.  
Agent

Mrs. Beltran responded that they try to coordinate across departments to prevent new accounts at the same address when previous debts exist and attempt to collect from related parties.
